

18th Annual Fire Truck Light Parade

See the District's finest Fire Trucks, Engines, Ambulances and Rescue Vehicles decorated with colorful lights!! Firefighters will be collecting new toys for 'Toys for Tots' and canned or packaged food for 'Food for Lane County' along the parade route. Every year we collect more donations. We thank and appreciate our community's generosity and support!

The parade will come through the neighborhood at the estimated times along the parade route (on the back of the page). We will be moving slowly so that everyone gets a good chance to meet and greet our Firefighters, EMT's, Smokey Bear and Fire Pup. There will be holiday music and NO loud sirens or horns. If you don't live directly on the route, drive to a parking spot along the route to see us! We are proud and excited to bring this event to you and your family during the Holidays.

**The Parade starts at 4:50 p.m.
Saturday, December 10th 2011**

"Happy Holidays"
